	Zoning Administrator's report.	Craig Meredith	On file with the Clerk as submitted by Craig Meredith.
	Committee Reports	All	We discussed the list of responsibilities that we're putting together to take care of the garden and the recent purchases. We purchased dirt, signs and irrigation supplies. We discussed the cost of mowing and the garden.  We discussed the need for a budget adjustment to pay for Craig Meredith to mow the Community Garden. Carrie Aldrich will address the board for the needed adjustment.  Chuck brought up the idea of supplying a bike rack at the township and possibly at the day use park. He also mentioned that someone from the community asked about getting a picnic table at the park as well.

		Chuck mentioned we could try to get a grant for these things.
New Business	All	<p>We discussed the Nuisance Abatement Ordinance Update. Chuck discussed several things that might need clarification. One issue related to farm equipment left in a field and then abandoned. We had a general discussion about this. There was a discussion that the Nuisance Abatement Ordinance changes need to be run through the Township Board.</p> <p>We discussed that we completed our draft of the zoning ordinance and need to have a public hearing.</p> <p>We discussed that we should reschedule our meeting from July 5th to July 12th because of the 4th of July holiday. We decided that we would have our meeting at 6 PM and then have the public hearing at 6:30 PM.</p> <p>Our July meeting will be at 6:00 PM on July 12th. Our Public Hearing will be at 6:30 PM on July 12th.</p> <p>We discussed that Craig Meredith should talk to the board about getting a computer to use instead of his personal computer for his zoning duties.</p> <p>Craig Meredith brought up the idea of purchasing the Oddfellow's hall that is for sale. He'd like to see it removed and have a playground put in. His thoughts are that kids need to cross Lindy road to get to that playground. He'd like to put in a nice park there.</p>
