dedication celebration on June 19th

We need your thoughts to help shape the future of the Thompsonville Junction area!

The Thompsonville Area Revitalization Project Committee is leading the charge to develop a site master plan for the Thompsonville Junction Site. The committee would like to hear from you about your vision for the site. Your help is needed to influence the planning of the Junction, its relationship to the Betsie Valley Trail, local recreational resources, and Thompsonville. **Please complete the survey to help prioritize features and amenities to complete the design phase of this exciting venture.**

Take the survey by going to the link below.
